JB'S SERENE CITY

A 540 acres mega venture featuring plotted communities,
villa communities, resort, commercial spaces & more.
The project is adjacent Guru Nanak Institutions
in Ibrahimpatnam on Sagar road.

Ibrahimpatnam – The preferred destination for institutions and organizations.

Ibrahimpatnam has emerged as the hot destination for educational institutions and public sector organizations. The demand for land at Ibrahimpatnam has gone up soon after the government allotted land to two security agencies National Security Guard (NSG) and Octopus few years back. Bharat Dynamics Limited (BDL) and Bharat Electronics Limited (BEL) too have been allotted land and other agencies are queuing up for land due to its proximity to the international airport in Shamshabad.

The NSG was given about 600 acres, while Octopus was allotted 570 acres. Nearly 5,000 acres of land is being sought by various departments and institutions in Ibrahimpatnam Mandal.

Guru Nanak Institutions, JNTU, Scient, Sree Dutta Group of Institutions, Siddhartha educational institutes and many more educational institutions have been functioning in Ibrahimpatnam for years.

The positive impact of ORR

Ibrahimpatnam on Nagarjuna Sagar road is a classic example of the positive impact ORR continues to have, thanks to its close proximity to Adibatla, LB Nagar and International Airport. All this has helped Ibrahimpatnam emerge as the most preferred destination for numerous central government organizations
